National Clarion Third Party Insurance

It is in the interests of anybody who has identifiable wealth (house, car, etc) to insure themselves for public liability claims. No one is infallible and it is possible to do serious damage on a bicycle in a momentary lapse of concentration. Third party insurance ensures a consequent claim is met in part at least by the insurer and does not have to be covered by a realisation of personal assets.

The National Clarion as a result of affiliation to the CTC is now able to offer third party insurance (up to £10M) when riding a bicycle for an annual fee of £15.00.

To take advantage of this facility post your premium with the following completed form to the above address. Please make your cheque payable to the "National Clarion Cycling Club".

NB Your affiliation is not valid until received by the CTC so please ensure that you send to the above address at least 28 days before the due date.

Please Note: Affiliation through the National Clarion does **not** include legal aid benefit, full CTC membership is required for legal aid.
